About IGVET

The Indo-German Programme for Vocational Education and Training (IGVET) is a joint initiative of the Ministry of Skill Development and Entrepreneurship (MSDE) and the German Ministry of Economic Cooperation and Development (BMZ). Implemented by GIZ, it aims at improving the skills of India's labour force. The programme is inspired by the German Dual System of Training, which emphasises the active role of the private sector in providing high quality, on-the-job training opportunities.
